January 2024

Dear Parents, Guardians, and Students,

On Tuesday, January 23, 2024, Central Islip High School will commence **Regents Exam Week**, and conclude on Friday, January 26, 2024. Attached is our **Testing Schedule**, which is also posted on our website. **On testing days, students are expected to report to school only when they are scheduled for an examination.** Students should arrive at the assigned testing room (information they will receive in their subject classes) at the time listed for that testing period. The testing schedule allows 15 minutes for seating, reading of directions, and attendance before the exam begins. Students are expected to leave the school building immediately following the completion of their last examination on each day of testing.

To maintain **TEST SECURITY** and guard against disruptions during State exams, the following procedures are being implemented, in accordance with recommendations from the New York State Education Department.

- Only students who are scheduled for exams or other planned activities will be admitted to the building.
- All halls must be kept clear during examination periods.
- Entrance to the building is restricted to the front entrance. **ALL STUDENTS MUST ENTER THROUGH THESE DOORS.**
- **Students will only be permitted to bring pens, pencils, review books, written review notes, and calculators, if required, for exams. Snacks are permissible. Backpacks, purses, handbags, and electronic devices including, but not limited to, iPods, iPads, smart watches, cell phones and other personal devices will **NOT** be permitted.**
- **If a student brings an electronic device into an examination room, the student's exam will be invalidated, and the student will receive a zero on that exam.**
- **Should an emergency force the evacuation of the building, any communication between students, as determined by the judgment of the proctor, will invalidate that student's exam.**

On testing days, students who still choose to bring to school personal belongings, as listed above, will be required to check such items with school personnel upon entering the building. Since we are not able to secure large quantities of personal items, students should refrain from bringing them to school. Such items will be available for return after finishing their test. **CISD will not be responsible for any lost or damaged items.** These guidelines are necessary and for the benefit of those students who are taking important statewide examinations and **are mandated by the NYS Education Department.** Your cooperation in assuring compliance with these procedures during the Testing Weeks is anticipated and appreciated.

Yours Truly,

Eric Haruthunian  
Principal

enero 2024

Estimados padres, tutores y estudiantes,

El martes 23 de enero de 2024, Central Islip High School comenzará la **semana de exámenes Regents** y concluirá el viernes 26 de enero de 2024. Adjunto está nuestro **calendario de exámenes**, que también está publicado en nuestro sitio web. **En los días de exámenes, se espera que los estudiantes se presenten a la escuela sólo cuando estén programados para un examen.** Los estudiantes deben llegar a la sala de pruebas asignada (información que recibirán en sus clases de materias) a la hora indicada para ese período de pruebas. El cronograma de exámenes permite 15 minutos para sentarse, leer las instrucciones y lista de asistencia antes de que comience el examen. Se espera que los estudiantes salgan del edificio escolar inmediatamente después de completar su último examen en cada día de pruebas.

Para mantener la **SEGURIDAD DE LOS EXÁMENES** y protegerse contra interrupciones durante los exámenes estatales, se están implementando los siguientes procedimientos, de acuerdo con las recomendaciones del Departamento de Educación del Estado de Nueva York.

- **Sólo se admitirán al edificio los estudiantes que tengan programados exámenes u otras actividades planificadas.**
- **Todos los pasillos deben mantenerse despejados durante los períodos de exámenes.**
- **La entrada al edificio está restringida a la entrada principal. TODOS LOS ESTUDIANTES DEBEN ENTRAR POR ESTAS PUERTAS.**
- **A los estudiantes solo se les permitirá traer bolígrafos, lápices, libros de revisión, notas de revisión escritas y calculadoras, si es necesario, para los exámenes. Se permiten bostones. NO se permitirán mochilas, carteras y dispositivos electrónicos, incluidos, entre otros, iPods, iPads, relojes inteligentes, teléfonos celulares y otros dispositivos personales.**
- **Si un estudiante trae un dispositivo electrónico a una sala de examen, el examen del estudiante será invalidado y el estudiante recibirá un cero en ese examen.**
- **Si una emergencia obliga a la evacuación del edificio, cualquier comunicación entre estudiantes, según lo determine el criterio del supervisor, invalidará el examen de ese estudiante.**

En los días de exámenes, los estudiantes que aún elijan traer a la escuela sus pertenencias personales, como se enumeran anteriormente, deberán verificar dichos artículos con el personal de la escuela al ingresar al edificio. Dado que no podemos asegurar grandes cantidades de artículos personales, los estudiantes deben abstenerse de traerlos a la escuela. Dichos artículos estarán disponibles para su devolución una vez finalizada su prueba. **CISD no será responsable de ningún artículo perdido o dañado.** Estas pautas son necesarias y para el beneficio de aquellos estudiantes que están tomando importantes exámenes estatales y **son ordenados por el Departamento de Educación del Estado de Nueva York.** Anticipamos y agradecemos su cooperación para garantizar el cumplimiento de estos procedimientos durante las Semanas de Pruebas.

Atentamente,

Eric Haruthunian  
Director
